NB: Directory lists all service providers represented at the Expo at the deadline for registration (31/8/20). Search of "Greater Sydney" location in a particular category and sub-category will display all participating exhibitors that have indicated they deliver this service. All information provided in the Exhibitor section of the Expo has been submitted by the individual organisations represented and has been accepted by the Expo Committee in good faith. Information contained within the Expo website and this directory is intended as a guide only and it is strongly recommended that visitors contact individual organisations / exhibitors directly to confirm or seek further information.
